

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI BANDARU DATTATRAYA): (a) Yes, Sir.

(b) DDA has reported that at present there is backlog of 24 under 15% promotion quota for the post of LDC. A limited competitive examination was held in 1989 and a panel of 251 candidates was prepared. At that time there were 35 posts of LDC lying vacant which were filled up from the candidates in the panel. As there was no further vacancy against this quota, this panel has been cancelled in October, 1992.

(c) A circular has been issued by DDA on 5.7.2000 inviting applications under '15% promotion quota' and the last date for submission of applications was 10.8.2000. The applications received in response to this circular are under scrutiny. Meanwhile, some class IV employees, who had qualified for the examination in 1989 but could not be appointed/promoted due to non-availability of vacancies of LDC at that time, have gone to the Court against circular dated 5.7.2000 and the matter is sub-judice.
